

***you could be the match  
that saves a life!***

## ***Take the next step and join the registry.***

- › Often a bone marrow transplant is the only hope for patients with blood disorders
- › Patients are most likely to match someone of the same ethnicity
- › Bone marrow grows back & can be donated without surgery
- › Are your ancestors Maori or Pacific Island, or any other NZ ethnic minority?
- › Are you aged between 18-40 years? If so we desperately need you!

Phone 0800 800 256 or visit [www.bonemarrow.org.nz](http://www.bonemarrow.org.nz) for more information.
